IMC LIMITED COMPANY KANDLA

OUR CLIENT : JITENDRA KESHWANI

3

Why we are creating this Software?

- Currently IMC limited is using SAP software ..

- SAP's most features are useful for Purachase Related Task..

- But it is not very useful for Terminal Warehouse store's Each and Every items According to Departments And Terminal..

- As our Client require to Manintain Storing Each items According to Departments And Terminal manually That's Why We creating This Software

IMC

Proposed System

Benefits:

Store Facality	Security	Inward	Outward	Reports
• Stores Departments Terminal wise	• Only Admin can Access All things	• Maintain Inward	• Maintain Outward	• Maintain date wise report
• Stores Items Department wise	• Other users can access only Their tasks	• Maintain Suppliers Who Suppies Products	• Material Issue Department Wise	• Item wise And Depatment wise report
